

STATEMENT OF PURPOSE

RS18318

The purpose of this legislation is to make the necessary corrections to H0426 of 2008. That legislation inadvertently left a section in Idaho Code allowing for funds for the Idaho Agriculture Plates to be transferred to the State Treasurer. Since the Ag in the Classroom is not a state agency, those funds cannot be transferred to the State Treasurer for investment purposes. This legislation will correct that error and have the Idaho Transportation Department transfer the funds directly to Idaho Ag in the Classroom by warrant on a monthly basis.

FISCAL NOTE

No fiscal impact.
